Hi there!
I'm Tiago
Buarque

ABOUT ME

I'm a UX/UI Product Designer who uses agile methodologies to create meaningful interactions in cross-functional and collaborative teamwork. I am currently finalizing a specialization in ux-design because I believe in continuous learning plus a lifetime of experiences as valuable tools to expand my knowledge and skills to specialize as a Problem Solving Product Designer. I have several areas of interest in life: Technology, Design, Arts, Future, Digital Culture; Humans and Cats.
